

Power Go

SUPERMARKETS THAT POWER GO

Stay Up and Running When the
Power Is Out

Lower Electricity Bills 24x7

Earn Revenue from Energy Assets

Ask if You Qualify to Receive the Power Go System **ENTIRELY FREE OF COST**

FORTIFY YOUR STORE WITH RESILIENT **POWER** + ENERGY **SAVINGS**

WHY POWER GO?

Extended power outages don't have to bring your store to a halt.

Power Go ensures lighting, refrigeration, point of sale and other critical systems stay on when the grid is down. Perishables stay fresh and essential supplies remain available when communities need them most. Power Go also lowers daily energy costs for grocery stores 24x7. If your utility offers incentivised demand response programs, all equipment and installation for the Power Go system comes **completely free of cost**.

LYNC SECURE® =

Uninterruptible Power +
Energy Efficiency

LYNC DR® =

LYNC Secure + Demand
Response Benefits

WHICH SOLUTION IS RIGHT FOR YOU?

LYNC Secure is the groundbreaking Go Electric solution from Power Go that is the first to combine **robust and resilient uninterruptible power** with **automated energy efficiency and savings**.

Where demand response is available, LYNC DR provides all LYNC Secure functionality plus the ability to earn revenue with **no cost for equipment and installation**.

Reliable Power At All Times

Stay open when the grid is down with uninterrupted power

Safety and Consistency

Ensure secure power from all on-site sources, including renewables
