

Power Go

# HOSPITALS THAT POWER GO

---

Save on Uninterruptible Power

Lower Electricity Bills 24x7

Maximise Clean Energy Use

Earn Revenue from Energy Assets

Ask if You Qualify to Receive the Power Go System **ENTIRELY FREE OF COST**

# UNINTERRUPTIBLE POWER + ENERGY EFFICIENCY FOR HOSPITALS

## WHY POWER GO?

**Uninterruptible power is pivotal for safeguarding patient health, but it also incurs huge costs.**

Power Go reduces the energy consumed by and dollars spent on this essential asset. Power Go also lowers daily energy costs for hospitals 24x7. If your utility offers incentivised demand response programs, all equipment and installation for the Power Go system comes **completely free of cost.**

**LYNC SECURE® =**

Uninterruptible Power + Energy Efficiency

**LYNC DR® =**

LYNC Secure + Demand Response Benefits

## 100% Uptime

Ensure patient safety by eliminating uninterruptible power latency

## Lower Electricity Bills

Automated energy efficiency lowers electricity costs all day

## Cleaner Energy Footprint

Make the most of battery storage and clean energy

## Safe and Consistent Power

Synchronise all on-site energy equipment, including renewables

## Monetise Your Energy Assets

Energy assets earn revenue with demand response

## WHICH SOLUTION IS RIGHT FOR YOU?

LYNC Secure is the groundbreaking Go Electric solution from Power Go that is the first to combine **robust and resilient uninterruptible power** with **automated energy efficiency and savings.**

Where demand response is available, LYNC DR provides all LYNC Secure functionality plus the ability to earn revenue with **no cost for equipment and installation.**
